Over 20 Years of Caring  
**Home Care**

October 19<sup>th</sup>, 2018

It's mid-October, and our food banks are already feeling the need. Once again, we will be accepting donations on their behalf in each of our offices from now until Christmas.

Anything you can donate will be greatly appreciated, no matter how small the can or the donation, every little bit helps.

Please help us help others, thanks in advance.
